2 p.m.- 6 p.m.

Initiated in August 2006, this highly successful event has become a classic Long Island run. Over 800 runners, including many of the Tri-state region's best, compete on a unique and beautiful trail run from Babylon Village to Belmont Lake State Park and back. A commendable effort by about 100 village community organizers and Rotary volunteers allows us to give a substantial contribution to local food pantries each year.

16th Annual Babylon Village Classic 10K Dirty Sock Run

2021

Since its inception, the Dirty Sock Run participation has grown each year. 2020 was a challenging year for all of us. We are so happy to be able to offer a Covid friendly, in-person Race for 2021!

To find out more about the run, or to register as a runner please visit our website.

All Sponsors have the option to provide promotional materials in the swag bags being distributed to the 1000 anticipated runners. Opportunities exist for anyone interested in presenting product at the race event. For Additional details please contact the Race Coordinator.

The Babylon Village Classic 10K Dirty Sock Run, which is part of the USATF Long Island Track and Field Cross Country Series, is more than just a race. Besides giving runners a chance to compete and have fun, the Run raises desperately needed funds for our twelve local food pantries and soup kitchens through the generosity of sponsors like you. Over the past fourteen years, the Babylon Rotary Club has supplied over \$265,000 in food and pantry donations to the Babylon food pantries and soup kitchens. The Dirty Sock Run is an essential part of the Rotary's efforts to eradicate hunger in our community.
